Who We Are Our Story

Who We Are

Golden Apple Group General Trading and Contracting Co. is a diversified enterprise Specialising in manpower supply, import and export, construction, food and catering, and facility management. With an established presence in the Middle East, the Group has built a reputation for reliability, operational efficiency, and quality service delivery. Founded in Kuwait in 2004 and expanded to India in 2022, Golden Apple Group provides professional manpower and integrated business solutions to clients across oil and gas, construction, hospitality, logistics, and facility management. Since 2004, the Group has grown from a specialist workforce provider in Kuwait into a multi-sector Organization that supports businesses at every stage of their operations.

Our Story

Our journey began in 2004 in Kuwait, where we started by supplying skilled and unskilled manpower to construction, oil and gas, and industrial projects. Through consistent performance and a commitment to meeting our clients' requirements, we earned a reputation for dependability and workforce excellence.

As our relationships deepened, so did our understanding of what clients truly need: a partner capable of addressing multiple operational requirements through a single, accountable point of contact. This insight guided our steady diversification. In 2006, we entered import and export trading, supplying quality goods, materials, and equipment across the Middle East and Asia. In 2011, we launched our construction and maintenance division, delivering projects with a focus on safety, quality, and timely completion. In 2022, we expanded to India to strengthen our overseas recruitment capabilities, and in 2024, we introduced our food and catering division to meet the growing demand for hygienic, nutritious, and professional meal solutions.

Each step has been taken deliberately, building on our existing strengths and responding to the evolving needs of the markets we serve.

WELCOME MESSAGE

Smt. Harpreet Kaur Chairperson

Dear Valued Clients, Partners, and Colleagues,

It is with great pride that I welcome you to Golden Apple Group General Trading and Contracting Co.

Since our founding in Kuwait in 2004, our journey has been guided by a simple belief: lasting success is built on trust, hard work, and a genuine commitment to the people we serve. What began as a focused manpower supply business has grown, step by step, into a diversified group serving clients across manpower, trading, construction, catering, and facility management.

In 2022, we took a significant step forward with the registration of our Indian firm, Golden Apple Group General Trading and Contracting Co. (India). Established to serve clients and institutions across India, our Indian firm brings the Group's values, systems, and standards of service to the Indian market. It also strengthens our ability to recruit, train, and deploy skilled professionals, connecting talent from India with opportunities across the Middle East and beyond. Today, it is central to our plans for growth, backed by the Group's long-standing operations in Kuwait.

At Golden Apple Group, we measure our achievements not only in projects completed or contracts secured, but in the relationships we have built and the livelihoods we have helped create. Behind every placement is a family, and behind every project is a client who has placed their confidence in us. We never take that responsibility lightly.

Our values remain constant: integrity in all our dealings, safety and quality in everything we deliver, and respect for every individual who works with us. As we look to the future, we are committed to expanding our presence in India and globally, investing in our people, and adopting sustainable business practices that benefit our clients, our employees, and the communities in which we operate.

I extend my sincere gratitude to our clients for their continued trust, to our partners for their collaboration, and to our dedicated team in India and Kuwait for their professionalism and perseverance. I am confident that, together, we will continue to grow and to deliver excellence in every endeavour.

Thank you for choosing Golden Apple Group.

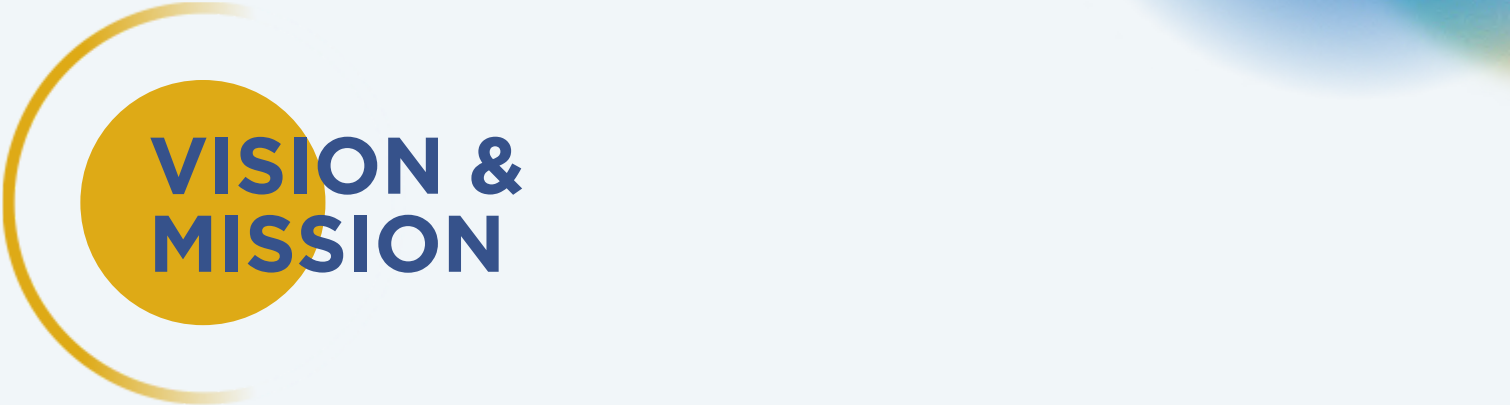

With warm regards,

Smt. Harpreet Kaur

Chairperson

Golden Apple Group General Trading and Contracting Co.

OUR SERVICES

Golden Apple Group offers a broad portfolio of professional services designed to support businesses, industries, and communities. Each division operates to the same standards of quality, safety, and reliability, allowing clients to rely on a single, accountable partner for their operational needs.

Industries We Serve

Our services support a wide range of sectors, including oil and gas, construction, manufacturing, hospitality, logistics, and facility management. Working across these industries has given us a practical understanding of the operational demands, safety requirements, and regulatory standards that apply in each, and it allows us to tailor our solutions to the realities of every client's environment.

Our Commitment to Clients

We take the time to understand each client's requirements before proposing a solution, and we remain involved at every stage, from planning and mobilisation to delivery and ongoing support. Our teams are trained, experienced, and focused on results, and our management remains accessible to address any concern quickly and directly.

Some of Our Clients

Building Construction and Civil Contracting

Golden Apple Group undertakes building construction and civil contracting projects in India, delivering residential and commercial developments with a focus on safety, quality, and timely completion. Our team of engineers, technicians, and skilled workers manages each project from planning and design coordination through to construction, finishing, and handover.

Residential Construction

- Houses: Individual homes built to the client's design, budget, and requirements, with attention to structural strength, functionality, and finish quality.
- Villas: Premium villas and independent residences, including custom architectural designs, quality interiors, and landscaped surroundings.
- Residential Developments: Multi-unit housing and residential complexes, planned for durability, comfort, and efficient use of space.

Commercial Construction

- Commercial Buildings: Offices, showrooms, retail spaces, and mixed-use buildings designed for functionality, accessibility, and long-term value.
- Institutional and Hospitality Buildings: Hotels, guesthouses, and similar facilities, built to meet the operational needs of each client.
- Industrial Buildings: Warehouses, workshops, and light industrial structures for business and logistics use.

Civil and Structural Works

- Site preparation, excavation, and foundation works
- Reinforced concrete (RCC) structures, columns, beams, and slabs
- Masonry, plastering, flooring, and waterproofing
- Boundary walls, roads, drainage, and external development works
- Interior finishing, renovation, and remodelling

Building Construction and Civil Contracting

Our Approach

- Planning: Detailed scheduling, budgeting, and resource planning before work begins
- Quality Materials: Use of quality materials from reliable suppliers, in line with approved specifications
- Skilled Workforce: Experienced engineers, supervisors, and tradespeople on every site
- Safety and Compliance: Adherence to applicable building codes, local regulations, and site safety practices
- Transparent Communication: Regular progress updates and prompt resolution of any issues
- Timely Handover: Completion to specification and agreed schedule

Recruitment and Manpower Supply

Skilled, semi-skilled, and unskilled personnel, as well as technical and administrative staff, for local and overseas requirements.

Projects We Support

We supply manpower for all kinds of projects, including:

- Construction and Infrastructure: Residential, commercial, and civil projects

Our Recruitment Process

- Requirement Analysis: We learn the client's needs, including job roles, numbers, skills, experience, and timelines.
- Sourcing: We identify suitable candidates through our recruitment network in India, Nepal, Bangladesh, and other Asian countries.
- Screening and Selection: We check qualifications, experience, and suitability, and arrange interviews or trade tests where required.
- Documentation: We prepare and verify the documents required by the relevant authorities.
- Mobilisation and Deployment: We arrange travel and joining, so personnel arrive ready to work.
- Ongoing Support: We continue to coordinate with clients and workers throughout the contract period.

Recruitment and Manpower Supply

Our Commitment

- Compliance: We follow the labour laws and regulations of the countries where we operate.
- Quality of Workforce: We prioritise skills, experience, and discipline in every candidate we present.
- Timely Mobilisation: We work to meet our clients' project schedules.
- Fair Treatment: We treat every worker with respect and uphold ethical recruitment practices.
- Responsive Service: Our team remains available to resolve any workforce concern quickly.

Import and Export

Golden Apple Group's trading division connects businesses across the Middle East and Bangladesh through reliable import and export services. Established in 2006, our trading operations supply quality goods, materials, food commodities, and equipment to clients in construction, industry, hospitality, and retail. By linking trusted suppliers with dependable buyers, we help clients source what they need efficiently, transparently, and at competitive prices.

Our Trading Corridors

- Middle East: Supply of goods and materials to clients in Kuwait and across the wider Gulf region, supported by our long-standing presence in the market.
- Bangladesh: Sourcing, supply, and trade between Bangladesh and the Middle East, drawing on our regional business network.
- India and the Wider Asian Region: Access to a broad supplier base, particularly for food commodities, to meet varied product and pricing requirements.

Food Commodities: Rice and Spices

- Food products are a key part of our trading portfolio. We source rice and spices from established growing and processing regions and supply them to wholesalers, retailers, restaurants, caterers, and institutional buyers.
- Rice: Basmati, non-basmati, and other varieties, available in a range of grades and packaging sizes to suit retail, wholesale, and bulk requirements.
- Spices: Whole and ground spices, including cumin, coriander, turmeric, chilli, cardamom, pepper, and cloves, as well as spice blends, supplied in commercial and bulk packaging.
- Other Food Products: Pulses, grains, and packaged grocery items on request.
- We focus on freshness, consistent quality, proper packaging, and handling that protects product integrity from origin to destination. Products are supplied in line with the food safety and labelling requirements of the destination market.

Import and Export

Products We Trade

- Rice and Spices: Staple food commodities for retail, wholesale, and catering use
- Food and Consumer Products: Packaged foods, grocery items, and everyday consumer goods
- Construction Materials and Equipment: Building materials, finishing products, tools, and site equipment
- Electrical and Mechanical Tools: Hand tools, power tools, and related components
- Industrial and Safety Supplies: Personal protective equipment (PPE), safety gear, and industrial consumables
- Cleaning and Hygiene Products: Cleaning chemicals, sanitary products, and related consumables

How We Work

1. Understanding the Requirement: We confirm the product, quantity, quality standard, and delivery schedule.
2. Sourcing and Quotation: We identify suitable suppliers and present clear, competitive pricing.
3. Quality Checks: We verify that products meet the agreed specifications before shipment.
4. Shipping and Documentation: We coordinate freight, customs paperwork, and compliance requirements.
5. Delivery and Follow-Up: We track consignments to destination and remain available for after-sales support.

Import and Export

Our Commitment

- Quality: We supply products that meet agreed specifications and recognised standards.
- Competitive Pricing: We work with a wide supplier base to offer fair, transparent prices.
- Timely Delivery: We coordinate logistics carefully to meet our clients' schedules.
- Compliance: We follow customs, food safety, import, and export regulations in each market.
- Transparency: We keep clients informed at every stage, from quotation to delivery.

Food, Catering, and Facility Management

Golden Apple Group provides integrated food, catering, and facility management services for universities and other educational institutions. A campus is a busy, always-active environment, and it depends on clean facilities, safe food, and dependable support staff. We deliver these essential services through a single, accountable partner, so that institutions can focus on teaching, research, and student life.

Services for Universities and Educational Institutions

We support campuses with the following services:

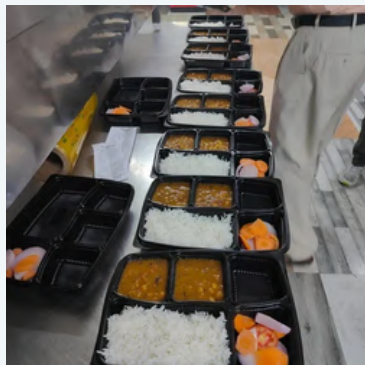

- Student and Staff Catering: Cafeterias, dining halls, canteens, and food courts serving students, faculty, and administrative staff
- Hostel and Residence Catering: Daily meal services for student accommodation, with menus planned around nutrition and variety
- Event and Hospitality Catering: Conferences, seminars, convocations, and official functions
- Food Supply and Distribution: Supply of fresh, packaged, and bulk food items to campus kitchens and outlets
- Facility Management: Housekeeping, building upkeep, security, landscaping, and support services across the campus

Food and Catering Services

- Nutritious Menus: Balanced, varied meal plans that suit the tastes, dietary needs, and cultural preferences of a diverse student community, including vegetarian and special-diet options
- Hygiene and Food Safety: Preparation, storage, and serving in line with applicable food safety regulations, supported by trained kitchen staff and regular cleaning routines
- Quality Ingredients: Fresh ingredients sourced from reliable suppliers
- Consistent Service: Reliable meal timings, efficient serving, and clear portion control
- Feedback and Improvement: Regular review of menus and service quality, based on feedback from students and staff

Food, Catering, and Facility Management

How We Manage Campus Contracts

- Site Assessment: We study the campus layout, population, and requirements before starting.
- Service Planning: We prepare staffing, menu, scheduling, and maintenance plans suited to the institution.
- Mobilisation: We deploy trained personnel, equipment, and supplies in line with the agreed timeline.
- Supervision and Quality Control: Supervisors monitor daily operations against agreed standards.
- Reporting and Review: We communicate regularly with the institution's management and respond promptly to any issue.

Why Institutions Choose Us

Operating since 2004. Our Group has supplied workforce in Kuwait since 2004. In India, our Indian firm has been registered since June 2022.

One contract, three services. Manpower, catering, and facility support can be combined under a single agreement, giving institutions one point of contact and one standard of accountability.

Built around the academic year. We plan staffing and services around term dates, examinations, and vacation periods, so capacity is there when campuses are busy and scales down when they are not.

Food, Catering, and Facility Management

Our Commitment

- Health and Safety: We give priority to the well-being of students, staff, and our own workforce.
- Compliance: We follow the regulations, contract terms, and tender requirements that apply to each institution.
- Reliability: We deliver services on schedule, every day of the academic year.
- Trained Workforce: Our teams are experienced, uniformed, and supervised.
- Accountability: One point of contact for all services, with clear reporting and quick resolution of concerns.

Building Maintenance

Well-maintained buildings protect people, preserve asset value, and keep operations running without interruption. Golden Apple Group provides comprehensive building maintenance services for commercial, industrial, institutional, and residential properties. Our trained technicians combine preventive care with fast, reliable repair, so that clients avoid costly breakdowns and can rely on safe, comfortable, and fully functional facilities.

Our Maintenance Services

- Electrical Maintenance: Inspection, servicing, and repair of wiring, distribution boards, lighting, power points, and backup systems
- Plumbing and Sanitary Works: Maintenance and repair of water supply, drainage, pumps, tanks, fixtures, and fittings
- HVAC Maintenance: Servicing and repair of air conditioning, ventilation, and cooling systems to maintain comfort and efficiency
- Civil and Structural Maintenance: Repair of walls, ceilings, floors, plastering, waterproofing, and general building fabric
- Painting and Finishing: Interior and exterior painting, surface repair, and refurbishment
- Carpentry and Joinery: Repair and replacement of doors, windows, partitions, cabinets, and fittings
- Mechanical, Electrical, and Plumbing (MEP) Services: Integrated upkeep of building systems to ensure consistent performance
- Minor Renovation and Fit-Out Works: Small-scale upgrades, alterations, and improvements

Properties We Serve

- Offices and commercial buildings
- Industrial sites, warehouses, and workshops
- Hotels, guesthouses, and hospitality facilities
- Schools, universities, and institutional buildings
- Labour camps and staff accommodation
- Residential buildings, villas, and apartment complexes

Building Maintenance

Our Approach

- **Inspection and Assessment:** We survey the property and its systems to understand their condition and needs.
- **Maintenance Planning:** We prepare a schedule and scope of work suited to the building and the client's budget.
- **Skilled Execution:** Qualified technicians carry out the work using suitable tools, materials, and safe working methods.
- **Quality Checks:** Supervisors verify that completed work meets the required standard.
- **Reporting and Follow-Up:** We record work done, report on building condition, and recommend improvements where needed.

Our Commitment

- **Safety:** We follow safe working practices to protect occupants, our technicians, and property.
- **Quality Workmanship:** We use quality materials and skilled tradespeople for durable results.
- **Prompt Response:** We aim to respond quickly to service requests and keep disruption to a minimum.
- **Compliance:** We act in accordance with applicable building regulations and safety requirements.
- **Cost Efficiency:** Regular preventive care reduces major repair costs over the life of the building.
- **Transparency:** We communicate clearly about the scope, progress, and cost of work.

Transportation and Heavy Equipment Leasing

Construction, industrial, and infrastructure projects depend on the right vehicles and machinery being available at the right time. Golden Apple Group provides transportation and heavy equipment leasing solutions that give clients flexible access to the resources they need, without the capital cost, maintenance burden, and idle time that come with ownership. Whether for a short-term requirement or a long-term project, we help keep sites productive and schedules on track.

Heavy Equipment Leasing

We lease construction and earthmoving equipment on flexible terms, including:

- Earthmoving Equipment: Excavators, backhoe loaders, bulldozers, and graders

Web Development Services

Technology now sits at the centre of how businesses sell, serve, and manage their operations. Golden Apple Group offers web development, mobile app development, and point-of-sale (POS) solutions that help organisations work more efficiently and reach more customers. We design and build digital tools that are practical, easy to use, and matched to the way each client's business actually runs, from the first concept through to launch and ongoing support.

Web Development

- Corporate Websites: Professional company websites that present services, projects, and contact details clearly and credibly
- E-Commerce Websites: Online stores with product catalogues, shopping carts, secure checkout, and order management
- Landing Pages: Focused pages for campaigns, products, and enquiries
- Responsive Design: Websites that display and perform well on desktops, tablets, and mobile phones
- Content Management Systems (CMS): Easy-to-use systems that let clients update their own content
- Website Redesign: Refreshing outdated websites to improve appearance, speed, and usability

Mobile App Development

- Android and iOS Apps: Mobile applications designed for smartphones and tablets
- Business Apps: Apps for order management, staff coordination, bookings, attendance, and customer service
- Customer Apps: Apps for catalogues, ordering, loyalty programmes, and notifications
- App Design and Testing: User-friendly interfaces, tested for performance and reliability before release
- Updates and Support: Regular improvements, bug fixes, and technical assistance after launch

Web Development Services

Our Development Process

- Discovery: We discuss the client's business, users, goals, and requirements.
- Planning: We define the features, structure, and timeline.
- Design: We create layouts and screens for the client's review and approval.
- Development: We build the solution and test it across devices and real-use situations.
- Launch and Training: We deploy the system and train the client's team.
- Support: We provide continuing maintenance, updates, and technical help.

Our Commitment

- Business-Focused Solutions: Every system is tailored to the client's operations and goals.
- Quality and Reliability: We test carefully before delivery.
- Data Security: We follow sound practices to protect business and customer data.
- Clear Communication: We keep clients informed at each stage and welcome their feedback.
- Timely Delivery: We agree on timelines at the start and work to meet them.
- Long-Term Support: We remain available after launch to help the system grow with the business.

At Golden Apple Group, we believe that lasting success is built on trust, performance, and genuine commitment to the people we serve. Since our founding in Kuwait in 2004, we have grown from a specialist manpower provider into a multi-sector organisation, and our clients continue to choose us for the same reasons: dependable delivery, honest communication, and a partner who stays involved until the work is done.

Operating Since 2004

Our journey began in 2004, and each step since has built on practical, hands-on experience in the markets we serve. From manpower supply and trading to construction, catering, and facility management, we understand the operational demands, safety requirements, and compliance standards of each industry. This experience helps us anticipate challenges early and solve them quickly.

2004: Our Beginning in Kuwait

Golden Apple Group was founded in Kuwait and began supplying skilled and unskilled manpower to construction, oil and gas, and industrial projects. Through reliable service and a focus on workforce quality, we built a reputation for dependability that became the foundation of the Group.

2022: Expansion to India

We started our operations in India to strengthen overseas recruitment, streamline manpower supply, and open new opportunities in emerging markets. Our Indian office connects skilled professionals with projects across the Middle East and supports our growth in the region.

2026: Growing with a Global Vision

We continue to expand our services and our network, with the aim of becoming a trusted partner in manpower, trading, construction, and multi-sector solutions, delivering excellence and value on every project.
